Swimming Carnival

Despite the rainy weather we managed to get through all our swimming carnival events except for the relays. Our House and Vice Captains kept the cheering going all day and we were impressed with the high participation rate from the students. Well done to every child who entered a race! Many thanks to our organiser Mrs Ranieri and to the staff and parents who acted as officials on the day. House points are currently being tallied and the winning house will be announced shortly.

Parent Information Evenings

Thank you for attending our Parent Information Evenings over the last two weeks. It was great to see such a good turnout and for us to share our programs and directions for the year.

Term Overviews

Each term, an overview of the teaching and learning program will be published in the newsletter for each stage. It gives information about routines, units of work to be studied, key concepts, excursions and other matters of interest. These are very useful and interesting documents. In this week’s newsletter you will find attached – K/1 Science, K-6 Mandarin, Years 3,4 and 2/3NP and Years 5 and 6 and 4/5/6 AH.
Peer Support Buddy Groups – FRIDAY 27 FEBRUARY

Each year, senior students take on a leadership role and conduct activities around friendship, anti-bullying and resilience. These are done in our K-6 Buddy groups where both campuses come together on Friday mornings to work in mixed groups of Kinder to Year 4 students led by a Year 5 or 6 student. Buddy groups commence tomorrow FRIDAY 27 FEBRUARY and continue for each Friday for the rest of the term.

Please ensure that all K/1 students are dropped at the 2-6 Kingslangley Rd campus between 8.45 and 9.10 am each Friday from 27 February until the end of the term. Thank you.
