Basketball Hoop upgrade

Greenwich PS students have been focusing on their health and well-being with daily physical activity as part of the Premier’s Sporting Challenge. To help get students moving and playing team games, we have upgraded the basketball hoops and backboards using some of the grant associated with this program. They have already proved very popular!

Schools Spectacular Expression of Interest – Years 2-6

Years 2-6 students have been invited to the 2015 Schools Spectacular Concert ‘This is our World’ on Friday 27 November at 12 noon. It will be held in the QANTAS Credit Union Arena (Sydney Entertainment Centre). If you would like your child to attend, please complete the Expression of Interest and return it to the silver letterbox outside the Kingslangley Rd Office by Friday 21 August. A copy of the note is attached to this newsletter.
NAPLAN Success

The 2015 NAPLAN results have arrived and I am pleased to report that Greenwich PS has achieved outstanding results. Congratulations to all students in Years 3 and 5 on their results and congratulations and thanks to all the teaching staff who have implemented effective teaching and learning programs across all grades. Such effective programs underpin these results. It must be remembered that NAPLAN only represents a snapshot of student achievement taken during one week of the year. The following table presents some highlights.

Letters to Year 3 and 5 parents/carers containing the NAPLAN reports have been issued today.

Congratulations Bands and String Ensemble

Last week our String Ensemble represented our school at the Ryde Eisteddfod. They played beautifully and we are proud of their achievements. Well done Anita and the String Ensemble!
Our bands competed in the NSW Bands Festival on Sunday and performed very successfully – both bands were awarded Silver Awards. Congratulations to Tracey and the band members for being wonderful ambassadors for our school! Performing Band members received their certificates today and Training Band will receive theirs on Friday.

**Disco Fever – Saturday 22 August**

I am looking forward to seeing all the fancy dance moves at the School Disco this Saturday. Don’t forget to get your tickets on flexischools and dress up as something beginning with G, P or S!

**Greenwich Hospital Request**

We have been contacted by Greenwich Hospital to raise awareness about parking issues and student and patient safety. Please do not park in the grounds of the hospital as unfortunately hospital staff members have been ‘parked in’ and have been unable to leave at the end of their shift. Also, students have been walking through the hospital grounds as a short cut, which raises safety concerns for both the students and patients. Please be considerate of this request.

**Head Lice, Sickness and Personal Hygiene**

Illnesses at school at the moment include coughs, colds, flus and a vomiting bug. Please keep your children at home if they are unwell as not only are they unable to learn but other children’s learning can be impacted if the illnesses spread. We have reminded children about good handwashing habits after toileting and before eating and coughing into their elbow etc to try to reduce the spread of disease. Hand sanitiser is available in all classrooms. It would be appreciated if you could also reinforce these messages with your children. Thank you.

Head lice are active at the moment so please check your child’s hair and treat appropriately. Don’t forget the bed linen!

**Road Safety Colouring Competition – Lane Cove Council**

Lane Cove Council is conducting a Road Safety poster competition for all students K-6 in the area. A flyer can be found elsewhere in this newsletter. The poster must be completed on the official entry form available at both offices and is due at Lane Cove Council by 23 October. Posters must be completed using pencils, pens, crayons, paints, pastels etc but no clip art or photographs are allowed.

**A Beautiful View**

Outside my office window I get to enjoy the flowering port wine magnolia. This lovely tree offers a stunning entry into our school administration building. Enjoy it for the short time that this tree is in flower.

TEN CYBERSAFETY TIPS EVERY PARENT SHOULD KNOW

Keeping your kids safe online is easy with a few simple precautions.
1. Nothing replaces parental supervision and education for kids about cybersafety.
2. Set a technology curfew.
3. Remind your child to never give out identifying information such as your home address, school name or telephone number in a public message such as chat or newsgroups.
4. If your child posts photos online, use privacy settings to limit access to people they know well.
5. Remind your child that people don’t always tell the truth online, and they can't take anything at face value.
6. Reassure your child that they can tell you anything, without fear of losing the laptop or internet access.
7. If they get a message or email that's threatening or rude, they should 'STOP, BLOCK, TELL'. First step is to tell your child to stop responding to the abuse and then block those people sending threatening or rude messages if they continue. Let your child know that if they are being bullied, or know someone else who is, they should tell a trusted adult.
8. Never click on any links that are contained in emails from people they don't know. As well as sexual content, they could contain a computer virus.
9. If you suspect your child has been contacted by a predator, try to save a copy of the chat log (or whatever form the contact takes) for evidence. Call Crime Stoppers 24-hour line 1800 333 000 to make a formal complaint.
10. Your child will be using computers and the technology for the rest of their lives – you're in the great position of being able to get them off to a safe, positive start.

Life Education Program

In Weeks 6 and 7 of this term all students, in Kindergarten through to Year 6, will be involved in the Life Education mobile classroom program. FROM THE OFFICE

Online Payments

Thank you to everyone who trialled our new on-line system through the school website. However, there is a glitch. The letter explaining how to use it said that information needed to be put into the ‘Ref. or Invoice Number’ field but an error message is displayed. Please do not put any information in there but go to the end ‘Payment Options’, Excursions and enter the information from the Term 3 fees there.

Hopefully this doesn’t put you off using the system as from the Office point of view it works really well. Thanks for your co-operation.
PERFORMING ARTS NEWS

Ryde Eisteddfod 2015

Our Greenwich Primary String Ensemble competed in the Ryde Eisteddfod last Thursday 13 August.

13 of our Yr2 - 6 students, combined their talents at the violin and cello to perform 2 wonderful songs: “Alouette”, a French folk song and “Eidelweiss”, a memorable tune from the Sound of Music.

Our conductor, Anita Crawford, was very pleased with how well our students performed. Their hard work in school rehearsals, practice at home and a lead-up performance at the K/1 site shone through. They received a complimentary report from the competition adjudicator, who particularly liked their tone.

There were many schools competing and the competition was fierce. Our students enjoyed the experience, despite some logistical difficulties… and they were wowed by some of the more experienced performing groups.

A big thank you to Anita for all the work she put in to get our Ensemble ready and to our school and parents for supporting these efforts.

P&C NEWS

School Disco - Saturday 22 August

Only 3 more sleeps until the School Disco!! See the attached flyer & order form for details about the night and ordering information. Children can come dressed as anything beginning with G, P or S! Just a reminder that this is a "kiss & drop" event although K-2 parents are most welcome to stay if their child is a little bit shy, however we request that no siblings are brought along & parents who stay must remain inside the hall. Please also remind your child that they are not to leave the hall during the disco, this is for supervision & child protection purposes. Once each disco session has concluded, students will be kept inside the hall until they are collected by a parent. Please, please, please book your tickets as soon as possible so we can make sure that there are enough treat bags for everyone on the night!! We also need some more parent helpers for the Yr 3 - 6 disco session. If you’re able to stay & help please email events@greenwichpandc.org.au. Many thanks!

Commonwealth Bank School Banking Update – Please Read

Concerns have been raised regarding the ‘Cosmic Light Beam Torch’ reward item due to the inclusion of four button batteries that can be accessed by unscrewing the back of the torch.

Whilst this reward has been independently tested and deemed to meet relevant product standards the Commonwealth Bank have made the decision to proactively withdraw this item from the School Banking Rewards Program.

Parents/Guardians are requested to dispose of any ‘Cosmic Light Beam Torches’ their child may have already received as part of the Rewards Program. Students who have previously received a ‘Cosmic Light Beam Torch’ are welcome to redeem an alternative reward item.
Tupperware fundraising drive – ends 28 August

Less than 10 days to get your order in! www.tupperware.com.au. There will be a Tupperware table setup outside the Primary School gate in Kingslangley Rd tomorrow morning (20 Aug) from 8:15am – 9:30am. Pop by if you’d like a catalogue or to check out what’s new. 20% of orders will be donated to the school.

If you haven’t already, could you kindly forward the attached Tupperware order form, Catalogue Specials Pack and this link www.tupperware.com.au to your family, friends and colleagues asking them if they’d like to order something? Perhaps you’d prefer to get a hard copy catalogue for your office kitchen – if so email playground@greenwichpandc.org.au. If the order form is too scary, you can always phone your order through to our Tupperware lady Leigh Lind on 0412 545 076. More info on the P&C website.

Playground Upgrade Update

The project is now in the process of obtaining firm quotes for the supply & installation of the fixed play equipment. We are comparing quality over quantity to make the cost of equipment fit to our available budget. Don’t forget to check if your employer runs an employee grant programme! This could also help fund the play equipment.

Lane Cove Council Awards $5,000 Grant

Greenwich Public School P&C was successfully awarded a financial assistance grant of $5,000 thanks to Sandra Murray, our P&C grants co-ordinator. The Financial Assistance Grants Program reflects Lane Cove Council’s commitment to encouraging and assisting in the provision of community based services which support and enhance the wellbeing of Lane Cove residents and the community. The grant will be put towards the cost of the playground upgrade.
